

2021 MINNESOTA MYCOLOGICAL SOCIETY SCHOLARSHIP

-GRADUATE STUDENT SCHOLARSHIP APPLICATION-

The Minnesota Mycological Society (MMS) is continuing our scholarship for University of Minnesota students (any campus location) currently enrolled in graduate level studies with an emphasis on mycology. The amount of an individual scholarship is \$1000.00. Please fill out the attached scholarship application, and provide all requested information including two references. The deadline for the application is February 17, 2021. One or more scholarships will be awarded by May 2021.

Applicant's Full Name: _____

Project Name: _____

Professor/Department/University: _____

Contact Information (include email): _____

Extracurricular and/or Community Service Activities: _____

In 300 words or less, describe your current project and address the following questions (attach document with application):

1. What is your educational background and experience with mycology (collaborations, projects, publications), including any participation in the Minnesota Mycological Society?
2. What are the specific goals of your research and how do you plan to accomplish those goals?
3. What do you see as the relationship between amateur and professional mycology?
4. How would this scholarship benefit your studies, and what are your aspirations following graduation?
5. If selected, would you be willing to give a presentation to a meeting of the MMS regarding your research and field of study and write a brief article for the MMS newsletter?

Please provide the names, addresses, and email addresses of two references.

Submit your application to:

**Minnesota Mycological Society
